Grants and Contracts Fiscal Year Expenses by OrgID

**Description:**

- Fiscal year to date revenue/expense for Projects in Fund 5000
- Includes Project specific attributes

**Use:**

- Inputs—required fields denoted by an asterisk (*):
  - *OrgID
  - OrgID Rollup (select “Yes” to include all Orgs that rollup to the specified Org)
  - *Fiscal Year
  - Include Inactive Projects (Yes/No)
  - AE or PI (Responsible Person) EMPLID (leave blank to return all AE/PI’s)
  - Project (leave blank to return all Projects)

**Security Authorization:**

- Access is restricted to users with Management Report Security to the specified Org.
- Reports in the Financial Information Library SECURITY folder generate lists of users security authorization.
- To request access, use the Financial Web Management Reports Security Authorization form. Various levels of access can be requested. To understand how to request the appropriate security, please refer to the Financial Security Overview and Instructions before completing the form.

**Still have Questions?**
