Monthly Summary by Project

**Description:**

- Summary of Individual Project Revenue and Expense by Month
- Includes Total Revenue, Personal Services Exp, Non-Personal Services Exp, F and A Exp, and Total Expense by Month

**Use:**

- Inputs—required fields denoted by an asterisk (*):
  - *Project

**Security Authorization:**

- Access is restricted to users with Management Report Security to the specified Project.
- Reports in the Financial Information Library SECURITY folder generate lists of users security authorization.
- To request access, use the Financial Web Management Reports Security Authorization form. Various levels of access can be requested. To understand how to request the appropriate security, please refer to the Financial Security Overview and Instructions before completing the form.

**Still have Questions?**

- Find additional information on the FBS website or just Ask Us.
