STATE AGENCIES - TO USE THIS CONTRACT PRE-AUTHORIZATION IS REQUIRED.
POLITICAL SUBDIVISIONS, HIGHER ED, PUBLIC ED – NO PRE-AUTHORIZATION IS REQUIRED.
STATE AGENCIES - TO USE THIS CONTRACT PRE-AUTHORIZATION IS REQUIRED.

1. All State Agencies are required to compare a minimum of three brands of digital copiers on contract and then make their purchasing determination based on a best value analysis taking in consideration their individual needs including, but not limited to, price, customer service, maintenance, delivery, etc.

2. State Agencies must then complete the 63A-2-105 Copier Request Form and submit to Brian Jensen (with comparison documentation) for approval prior to ordering any copier from the contractor. **Please fax your copier request form to Brian Jensen at (801) 323-4310.** A copy of the copier request form is located at the end of this contract information sheet.

LEASING:
Political Subdivisions, Higher Ed, Public Ed, within the State of Utah are eligible to lease equipment pursuant to NASPOValuePoint Contract. Please work with your own purchasing dept. to determine if leasing is an option. If you do lease, only the lease agreement attached has been negotiated.

State of Utah Agencies are not allowed to lease equipment. Agencies must purchase outright or use State Purchasing’s Digital Copier Services Program.

**State Purchasing’s Digital Copier Services Program** – is a unique service program designed for self service or walk up copying. It is designed for agencies that want to create a “hassle free” self service copying environment in their office. Included with the service is a copier that meets the agencies long term requirements and specifications, as well as, full service maintenance through the manufacturer or its local representative. All copier consumables (paper, toner, developer, etc.) can be ordered directly through the Digital Copier Services program. The cost of the service is based on the copier selected and the number of copies produced each month. Presently, over 1,000 copiers are in use throughout the state through this service. The principle advantages of the program are: all costs are:

All costs are paid from the operating budget.
Reduced copying costs.
A reliable copier to meet present and future needs.
Excellent service.
Scheduled copier replacement.
Improved staff morale.
No more paper work for establishing maintenance contracts.
OBTAINING THE SERVICE
Shortly after contact by the requesting agency, a representative from the Digital Copier Services program can arrange for trials, or demonstrations, of copiers that most closely meet the agency's needs in terms of features, controls and functions. The trial can be conducted in the copier representative’s sales office and/or on site for several days.
If the proposed service is acceptable, the Digital Copier Services program will purchase and install the equipment, provide the required supplies and train the staff. A representative of the program will provide continued support when delivering supplies and obtaining monthly meter readings.

COST OF THE SERVICE
Agencies are billed on a monthly basis through an interdepartmental transfer. The formula utilized for billing is as follows:

Copier Depreciation + Maintenance + Supply Expenses
Number of Copies

An administrative fee of $0.004 per copy is added and the result is the cost per copy for the month. The agency is billed only for the copies that are made, there are no prepaid costs. The printer depreciation expense is based on the anticipated life of the copier (typically 4 years) and is computed as a straight line monthly expense. For example, if the copier costs $9,000 and the economic life of the copier is four years, the monthly depreciation expense would be $187.50.
The maintenance expense is the actual charge from the provider for their service based on monthly usage.
The supply expense is based on the actual cost of supplies used.
The administrative fee is fixed and will not be increased during the life of the printer/copier.

To use the Digital Copier Service Program contact Connie Houskeeper at 801-323-4326 or chouskeeper@utah.gov.

27. BUG FIXING AND REMOTE DIAGNOSTICS: Contractor shall use commercially reasonable efforts to provide workaround solutions or patches to reported software problems. With an Eligible User’s prior written authorization, Contractor may perform remote diagnostics to work on reported problems, subject to Contractor’s obligation of this Contract. 28. TECHNICAL SUPPORT AND MAINTENANCE: If technical support and maintenance is a part of the Goods or Custom Deliverables that Contractor provides under this Contract, Contractor will use commercially reasonable efforts to respond, in a reasonable time, when technical support or maintenance requests regarding the Goods or Custom Deliverables are made to Contractor.

29. SECURE PROTECTION AND HANDLING OF PUBLIC DATA: Eligible Users should not submit any Public Data (including any data that an Eligible User determines to be sensitive based on its specific requirements) to Contractor. In the event that Contractor has access to an Eligible User's Public Data, such access will likely be incidental and the Eligible User will remain the controller of the Public Data at all times. However, if Contractor is given Public Data, as the controller of the Public Data, as part of this Contract, the protection of Public Data shall be an integral part of the business activities of Contractor to ensure that there is no inappropriate or unauthorized use of Public Data. To the extent that Contractor is given Public Data, Contractor shall safeguard the confidentiality, integrity and availability of the Public Data and comply with the following conditions:

1. Network Security: Contractor agrees at all times to maintain network security that - at a minimum - includes: network firewall provisioning, intrusion detection, and regular third party penetration testing. Contractor also agrees to maintain network security that conforms to one of the following:

   (1) Those standards the State of Utah applies to its own network, found outlined in DTS Policy 5000-0002 Enterprise Information Security Policy (copy available upon request);

   (2) Current standards set forth and maintained by the National Institute of Standards and Technology, includes those at: http://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-53r4.pdf; or

   (3) Any generally recognized comparable standard that Contractor then applies to its own network and approved by DTS in writing.

2. Public Data Security: Contractor agrees to protect and maintain the security of Public Data with protection that is at least as good as or better than that maintained by the State of Utah. These security measures included but are not limited to maintaining secure environments that are patched and up to date with all appropriate security updates as designated (ex. Microsoft Notification).

3. Public Data Transmission: Contractor agrees that any and all transmission or exchange of system application data with the Eligible Users and State of Utah and/or any other parties expressly designated by the State of Utah, shall take place via secure means (ex. HTTPS or FTPS).

4. Public Data Storage: Contractor agrees that all Public Data will be stored and maintained in data centers in the United States. Contractor agrees that no Public Data at any time will be processed on or transferred to any portable or laptop computing device or any portable storage medium, except for devices that are used and kept only at Contractor's United States data centers, unless such medium is part of the Contractor's designated backup and recovery process. Contractor shall permit its employees and Subcontractors to access non-Public Data remotely only as required to provide technical support. Contractor may provide technical user support on a 24/7 basis using a Follow the Sun model, unless otherwise prohibited by this contract.

5. Public Data Encryption: Contractor agrees to store all data provided to Contractor, including State, as part of its designated backup and recovery process in encrypted form, using no less than 128 bit key.

6. Password Protection: Contractor agrees that any portable or laptop computer that has access to the Eligible Users or State of Utah networks, or stores any Public Data is equipped with strong and secure password protection.
7. **Public Data Re-Use:** Contractor agrees that any and all data exchanged shall be used expressly and solely for the purpose enumerated in this Contract. Contractor further agrees that no Public Data of any kind shall be transmitted, exchanged, or otherwise passed to other Contractors or interested parties except on a case-by-case basis as specifically agreed to in writing by the Eligible Users.

8. **Public Data Destruction:** The Contractor agrees that upon expiration or termination of this Contract it shall erase, destroy, and render unreadable all Public Data from all non-state computer systems and backups, and certify in writing that these actions have been completed within thirty (30) days of the expiration or termination of this Contract or within seven (7) days of the request of the Eligible User, whichever shall come first, unless the Eligible User provides Contractor with a written directive. It is understood by the parties that the Eligible User’s written directive may request that certain data be preserved in accordance with applicable law.

9. **Services Shall Be Performed Within United States:** Contractor agrees that all of the Services related to Public Data that it provides to the Eligible Users will be performed by Contractor and Subcontractor(s) within the borders and jurisdiction of the United States.

30. **SECURITY INCIDENT OR DATA BREACH NOTIFICATION:** In the event that Contractor is the controller of Public Data, then Contractor shall immediately inform an Eligible User of any Security Incident or Data Breach.

1. **Incident Response:** Contractor may need to communicate with outside parties regarding a Security Incident, which may include contacting law enforcement and seeking external expertise as mutually agreed upon, defined by law or contained in this Contract. Discussing Security Incidents with the Eligible User should be handled on an urgent as-needed basis, as part of Contractor’s communication and mitigation processes, defined by law or contained in this Contract.

2. **Security Incident Reporting Requirements:** Contractor shall report a Security Incident to the Eligible User immediately if Contractor reasonably believes there has been a Security Incident.

3. **Breach Reporting Requirements:** If Contractor has actual knowledge of a confirmed Data Breach that affects the security of any Public Data that is subject to applicable data breach notification law, Contractor shall: (a) promptly notify the Eligible User as soon as reasonably possible; (b) take commercially reasonable measures to address the Data Breach in a timely manner; and (c) be responsible for its Data Breach responsibilities, as provided in the next Section.

31. **DATA BREACH RESPONSIBILITIES:** Eligible Users should not submit any Public Data (including any data that an Eligible User determines to be sensitive based on its specific requirements) to Contractor. In the event that Contractor has access to an Eligible User’s Public Data, such access will likely be incidental and the Eligible User will remain the controller of the Public Data at all times. However, if Contractor is given Public Data, as the controller of the Public Data, then this Section only applies when a Data Breach occurs and arises out of Contractor’s equipment or services provided by Contractor; and only if Contractor is aware of such Data Breach; and providing such Data Breach does not arise from Eligible Users’ negligent act or omission or willful misconduct or failure to comply with Contractor’s documentation on proper use of equipment or services provided by Contractor. In such event, Contractor agrees to comply with all applicable laws that require the notification of individuals in the event of a Data Breach or other events requiring notification in accordance with DTS Policy 5000-0002 Enterprise Information Security Policy (copy available upon request). In the event of a Data Breach or other event requiring notification under applicable law (Utah Code § 13-44-101 thru 301 et al), Contractor shall: (a) cooperate with the Eligible User by sharing information relevant to the Data Breach; (b) promptly implement necessary remedial measures, if necessary; (c) document responsive actions taken related to the Data Breach, including any post-incident review of events and actions taken to make changes in business practices in relation to the Data Breach; and (d) in accordance with applicable laws indemnify, hold harmless, and defend DTS and the State of Utah against any claims, damages, or other harm related to such Data Breach. If the Data Breach requires public notification, all communication shall be coordinated with the Eligible User. Additionally, if such a claim or liability is based upon an allegation that a Good, Custom Deliverable, or Service furnished by Contractor infringes on any right protected by any patent, copyright, trademark, trade secret, and/or proprietary right of any third party, Contractor agrees to indemnify and hold harmless the Division, the Eligible Users, and the State of Utah for any final judgments or settlements resulting from such a claim or liability. Contractor shall defend all actions brought upon such matters to be indemnified hereunder and pay all costs and expenses incidental thereto. The Eligible Users shall be required to provide Contractor prompt written notice of the claim or liability, grant the Contractor sole control of the defense or settlement thereof and provide reasonable cooperation in response to Contractor's assistance in the defense of any such action. The parties agree that if there are any limitations of liability, including a limitation of liability clause in this Contract, such limitations of liability will not apply to this Section. 4. Custom Deliverables, not including Contractor’s Intellectual Property Rights, Background IP, and Residual IP, may not be marketed or distributed without written approval by the Eligible Users.

Contractor agrees to grant to the Eligible Users a perpetual, irrevocable, royalty-free license to use Contractor’s Background IP, Utilities, and Residual IP, as defined above, solely for the Eligible Users and the State of Utah to use the Custom Deliverables. The Eligible Users reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use, for the Eligible User's internal purposes, such Custom Deliverables. For the Goods delivered that consist of Contractor's scripts and code and are not considered Custom Deliverables or Work Product, for any reason whatsoever, Contractor grants the Eligible User a non-exclusive, non-transferable, irrevocable, perpetual right to use, copy, and create derivative works from such, without the right to sublicense, for the Eligible User's internal business operation under this Contract. The Eligible User and the Division may not participate in the transfer or sale of, create derivative works from, or in any way exploit Contractor's Intellectual Property Rights, in whole or in part.

45. OWNERSHIP, PROTECTION AND USE OF RECORDS: Except for confidential medical records held by direct care providers, the Eligible Users shall own exclusive title to all information gathered, reports developed, and conclusions reached in performance of this Contract. Contractor may not use, except in meeting its obligations under this Contract, information gathered, reports developed, or conclusions reached in performance of this Contract without the express written consent of the Eligible User. Contractor agrees to maintain the confidentiality of records it holds for the Eligible Users as required by applicable federal, state, or local laws.

46. PROTECTION, AND USE OF CONFIDENTIAL FEDERAL, STATE, OR LOCAL GOVERNMENT INTERNAL BUSINESS PROCESSES AND PROCEDURES: In the event that the Eligible User provides Contractor with confidential federal or state business processes, policies, procedures, or practices, pursuant to this Contract, Contractor agrees to hold such information in confidence, in accordance with applicable laws and industry standards of confidentiality, and not to copy, reproduce, sell, assign, license, market, transfer, or otherwise dispose of, give, or disclose such information to third parties or use such information for any purpose whatsoever other than the performance of this Contract.

47. PROTECTION, AND RETURN OF DOCUMENTS AND DATA UPON CONTRACT TERMINATION OR COMPLETION: All documents and data pertaining to work required by this Contract will be the property of the Eligible Users, and must
be delivered to the Eligible Users within thirty (30) working days after termination or expiration of this Contract, regardless of the reason for contract termination, and without restriction or limitation to their future use. The costs for returning documents and data to the Eligible Users are included in this Contract.

48. **CONFIDENTIALITY:** Confidential Information may be disclosed to the Contractor under the terms of this Contract. If Confidential Information is disclosed to Contractor then Contractor agrees to adhere to the following:

Contractor will: (a) limit disclosure of any Confidential Information to Authorized Persons who have a need to know such Confidential Information in connection with the current or contemplated business relationship between the parties to which this Contract relates, and only for that purpose; (b) advise its Authorized Persons of the proprietary nature of the Confidential Information and of the obligations set forth in this Contract and require such Authorized Persons to keep the Confidential Information confidential; (c) shall keep all Confidential Information strictly confidential by using a reasonable degree of care, but not less than the degree of care used by it in safeguarding its own confidential information; and (d) not disclose any Confidential Information received by it to any third parties, except as otherwise agreed to in writing by the Eligible Users. The Division will issue a written notice of default providing a fourteen (14) day period in which Contractor will have an opportunity to cure. Time allowed for cure will not diminish or eliminate Contractor's liability for damages. If the default remains, after Contractor has been provided the opportunity to cure, the Division may do one or more of the following: (a) exercise any remedy provided by law or (b) terminate this Contract.

51. **TERMINATION UPON DEFAULT:** In the event this Contract is terminated as a result of a default by Contractor, the Division may procure or otherwise obtain, upon such terms and conditions as the Division deems appropriate, Goods, Custom Deliverables, or Services similar to those terminated, and Contractor shall be liable to the Division for any and all cover costs and damages incurred by the Division in obtaining similar Goods, Custom Deliverables, or Services.

52. **FORCE MAJEURE:** Neither party to this Contract will be held responsible for delay or default caused by fire, riot, acts of God and/or war which is beyond that party's reasonable control. The Division and the Eligible Users may immediately terminate this Contract after determining such delay will reasonably prevent successful performance of this Contract.

53. **PROCUREMENT ETHICS:** Contractor understands that a person who is interested in any way in the sale of any supplies, services, products, construction, or insurance to the State of Utah is violating the law if the person gives or offers to give any compensation, gratuity, contribution, loan, or reward, or any promise thereof to any person acting as a procurement officer on behalf of the State of Utah, or who in any official capacity participates in the procurement of such supplies, services, products, construction, or insurance, whether it is given for their own use or for the use or benefit of any other person or organization.

54. **WORKERS' COMPENSATION:** Contractor shall maintain during the term of this Contract, workers' compensation insurance for all its employees as well as any subcontractor employees related to this Contract. Contractor acknowledges that within thirty (30) days of contract award, Contractor and/or Subcontractors must submit proof of certificate of insurance that meets the above requirements.
55. LIABILITY INSURANCE: Contractor agrees to provide and to maintain during the performance of this Contract, at its sole expense, a policy of general liability insurance. The limits of the policy shall be no less than $1,000,000.00 for each occurrence and $3,000,000.00 aggregate. It shall be the responsibility of Contractor to require any of their Subcontractor(s) to secure the same insurance coverage as prescribed herein for the Contractor.

Contractor must provide proof of insurance to the Division and must add the State of Utah as an additional insured with notice of cancellation. Contractor acknowledges that within thirty (30) days of contract award, Contractor and/or Contractor's Subcontractors must submit proof of certificate of insurance that meets the above requirements. No other terms and conditions will apply to this Contract including terms listed or referenced on a Contractor's website, terms listed in a Contractor quotation/sales order, purchase orders, etc. In the event of any conflict in the contract terms and conditions, the order of precedence shall be: (a) this Attachment A; (b) Contract Signature Page(s); (c) State of Utah's Additional Terms and Conditions, if any; and (d) Contractor Terms and Conditions, if any. Attachment A will be given precedence over any provisions including, limitation of liability, indemnification, standard of care, insurance, or warranty, and will not be nullified by or exception created by more specific terms elsewhere in this Contract.

57. ENTIRE AGREEMENT: This Contract shall constitute the entire agreement between the parties, and supersedes any and all other prior and contemporaneous agreements and understandings between the parties, whether oral or written.

60. CONTRACT INFORMATION: During the duration of this Contract, the Division of Purchasing is required to make available contact information of Contractor to the State of Utah Department of Workforce Services. 4. Leases:

(a) Lease Terms: Capital Leases, Fair Market Value Leases and Operational Leases will be subject to the terms and conditions of the leasing terms and conditions attached hereto as Exhibit A (the “Lease Terms”), which is incorporated herein by this reference. A Purchasing Entity may lease Products pursuant to the Lease Terms and this Participating Addendum by issuance of a Purchase Order or Order (each, a “Lease Order”). If there is a conflict between the Lease Terms and this Participating Addendum, the Master Agreement or any other document referenced in Section 1 of the Master Agreement, the Lease Terms shall control. The Lease Terms and any lease Purchase Order or Order shall survive the termination of this Participating Addendum and the Master Agreement. Upon the Purchasing Entity’s execution of a delivery and acceptance certificate, the Acceptance Testing period shall end and the Purchasing Entity shall not reject or revoke acceptance of the Product.

(b) Lease Renewals, End of Term Options and Title to Leased Products. At the end of the applicable Lease term, Leases (other than Capital Leases) may be (1) renewed as provided in the Lease Terms; (2) end user may elect to purchase the equipment subject to Fair Market Value Leases; or (3) return the equipment, pursuant to Section 13 in Exhibit A (Sharp Master Lease Agreement). In the case of a renewal, or purchase of the equipment, the customer must provide written notice at least thirty (30) days prior to the expiration date of the lease. Notwithstanding anything to the contrary in RFP 3091 or the Master Agreement, title to leased Products shall remain with
Contractor unless and until the Purchasing Entity’s payment of the applicable purchase option price. At the end of a Capital Lease, assuming all contractual obligations have been met, title of the equipment will be transferred to the end user.

**Note:** If the Purchasing Entity elects to retain the hard drive of any Product upon return of the Products to Contractor, **Purchasing Entity shall pay Contractor a hard drive replacement fee of $500 per unit of Product.**

(c) **Lease Renewals, End of Term Options and Title to Leased Products.** At the end of the applicable Lease term, Leases (other than Capital Leases) may be renewed as provided in the Lease Terms and Customer may elect to purchase Products subject to Fair Market Value Leases. Notwithstanding anything to the contrary in RFP 3091 or the Master Agreement, title to leased Products shall remain with Contractor unless and until the Purchasing Entity’s payment of the applicable purchase option price. If the Purchasing Entity elects to retain the hard drive of any Product upon return of the Products to Contractor, **Purchasing Entity shall pay Contractor a hard drive replacement fee of $500 per unit of Product.**

(d) **Termination Charges.** The limitation on termination charges as specified in Section 5.4.2.3 of RFP 3091 is the balance of lease payments for leases and, for service and maintenance obligations, the lesser of four (4) months service and supply base charges or 25% of the service/supply payment for the remaining term.

(e) **NON-APPROPRIATION OF FUNDS.** Customer intends to remit to Lessor all Lease Payments and other payments for the full Term specified in the applicable Lease Order if funds are legally available. In the event Customer is not granted an appropriation of funds at any time during the Term for the Product or for product which is functionally similar to the Product and operating funds are not otherwise available to Customer to pay Lease Payments and other payments due and to become due under the Lease, and there is no other legal procedure or available funds by or with which payment can be made to Lessor, and the non-appropriation did not result from an act or omission by Customer, Customer shall have the right to return the Product in accordance with these Lease Terms and terminate the Lease on the last day of the fiscal period for which appropriations were received without penalty or expense to Customer, except as to the portion of the Lease Payments for which funds shall have been appropriated and budgeted. At least thirty (30) days prior to the end of Customer’s fiscal period, Customer’s chief executive officer (or legal counsel) shall certify in writing that: (a) funds have not been appropriated for the fiscal period; (b)
such non-appropriation did not result from any act or failure to act by Customer; and (c) Customer has exhausted all funds legally available to pay Lease Payments. If Customer terminates the Lease because of a non-appropriation of funds, Customer may not purchase, lease or rent, during the subsequent fiscal period, product performing the same functions as, or functions taking the place of, those performed by the Product; provided, however, that these restrictions shall not be applicable if or to the extent that the application of these restrictions would affect the validity of the Lease. This Section shall not permit Customer to terminate the Lease in order to acquire any other product or to allocate funds directly or indirectly to perform essentially the application for which the Product is intended.

(f) Assignment. Contractor may sell and assign to its affiliates and/or unaffiliated third parties from time to time its right, title and interest in and to: (a) Products subject to Lease Orders; (b) all payments and other amounts due and to become due under Lease Orders and this Participating Addendum with respect to the Products; and (c) all rights and remedies under this Participating Addendum and the Lease Terms with respect to the Products and such payments and other amounts due; but none of the obligations of Contractor under this Participating Addendum, the Lease Terms, the Master Agreement or any other document referenced in Section 1 of the Master Agreement, all of which obligations shall remain with Contractor.

Prior to installing a substitute product, Contractor will be allowed 90 days to remedy any quality or reliability issues. A designated factory authorized technician must certify each unit’s ability to produce acceptable impressions with acceptable copies between calls or uptime. The guarantee will remain in effect for the term of the contract or up to five (5) years from the date of purchase/lease, provided the equipment has not been subjected to abuse or neglect and has been continuously covered by a Maintenance Contract. This replacement policy will remain in effect for the term of the
contract and is subject to the Customer remaining current with supplier’s payment requirements.

1.6 Additional Contractor Guarantees

1.6.1 Training – On-going training as requested by the Customer to be performed within two (2) weeks of requested date for on-site training and two (2) hours for phone/technical support. Such costs shall be limited to cost of production (service and supplies), equipment, labor, power, transportation of jobs to and from the off-site production facility and facilities.

1.6.3 Invoicing – Contractor shall maintain timely, accurate invoicing, less service run impressions, as defined below. The assigned copy machine operators, back-up personnel, and office personnel shall respond in a timely manner to the Contractor’s e-mails, facsimiles, and phone calls in providing the readings. Failure on the Contractor’s part to maintain the Service levels as defined in the table below shall result in a $50.00 per instance credit on the following invoice provided Customer has given written notice to Contractor of any such alleged invoicing problem and Contractor has been allowed a 30 day cure period after such notice to address any such issue.

# Master Lease Agreement

**Customer’s Main Business Phone Number:**

In this Master Lease Agreement, as it may be amended from time to time (the “Master Agreement”), the words “You” and “Your” mean the Customer named above. “We,” “Us” and “Our” mean Sharp Leasing USA Corporation ("SLUSA"). “Schedule” means a document, in the form attached hereto as Exhibit A, or such other form as We may accept in our sole discretion, to be entered into between You and Us for each individual transaction entered into between You and Us pursuant to this Master Agreement. “Sharp” means Sharp Electronics Corporation (either directly or through one of its branch dealers), the supplier of the Equipment to You. This Master Agreement, each Schedule and the other documents executed or delivered by Us in connection herewith and therewith represent the final and only agreement between You and Us regarding the subject matter herein and therein and shall supersede any other oral or written agreements between You and Us. Other agreements not stated herein (including, without limitation, those contained in any purchase agreement or other agreement between You and Sharp) are not binding on Us. This Master Agreement and each Schedule may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute the same document. You acknowledge that you have received a copy of this Master Agreement,

### 1. LEASE OF EQUIPMENT - GENERAL

- Each Schedule executed by You (and to be executed by You in the future) represents your agreement to lease from Us the personal property listed therein (together with all existing and future accessories, attachments, replacements, additions and other items).

### 2. NON-CANCELABLE TERM: AUTOMATIC RENEWAL

As used herein, “Present Term” means the term presently in effect at any time with respect to a Lease, whether it is the Initial Term or a Renewal Term (as defined below). With respect to each Lease, unless You notify Us in writing at least 30 days before the end of the Present Term that You intend to return the Equipment at the end of such Present Term, then: (a) such Lease will automatically renew for an additional one-month period (each, a “Renewal Term”), and (b) the payment amount and other terms of such Lease will continue to apply. If You do not notify Us in writing within the Present Term that You intend to return the Equipment at the end of the Renewal Term, then, promptly upon the expiration of such Renewal Term, You must return the Equipment to Us. You agree that (a) We are a separate and independent company from Sharp, the manufacturer and any other vendor (collectively, “Vendors”), and the Vendors are NOT Our agents; (b) no statement, representation or warranty by any Vendor is binding on Us, and no Vendor has authority to waive or alter any term of this Master Agreement or any Schedule; (c) You, not We, selected all Equipment and the Vendors based on Your own judgment; (d) Your duty to perform Your obligations under this Master Agreement and each Schedule is unconditional and irrevocable in the event of Your failure of any Equipment, the existence of any law restricting the use of any Equipment, or any other adverse condition; (e) if You are a party to any maintenance, service, supplies or other contract with any Vendor, We are NOT a party thereto, such contract is NOT part of this Master Agreement or any Schedule (even though We may, as a convenience to You and a Vendor, bill and collect monies owed by You to such Vendor), We have no obligations to You under such contract, and no breach by any Vendor will excuse You from performing Your obligations to Us under this Master Agreement or any Schedule; and (f) if the Equipment is unsatisfactory or if any Vendor fails to provide any service or fulfill any other obligation to You, You shall not make any claim against Us and shall continue to perform all of Your obligations to Us.

### 3. PAYMENTS

- The payments due pursuant to each Schedule, plus applicable taxes and other charges provided for therein and in the Schedule, shall be due and payable by the due date set forth in our invoice to You, subject to the Master Agreement and Participating Addendum. The payments due under a Schedule may include additional copy charges at the “Overage Copy Charge” rate specified in the Schedule for excess copies in excess of the Monthly Copy Allowance provided in the Schedule. You agree that we may increase the “Overage Copy Charge” but not more than once each calendar year during the Initial Term and once each calendar year for the Renewal Term (if any), by an amount not to exceed 10%. You agree to (a) provide Us or Sharp by telephone or facsimile with the actual meter readings whenever You are requested to do so, (b) allow Us or Sharp to attach an automatic meter reading device to the Equipment, which meter reading device You will remove or alter without approval from Us or Sharp, and/or (c) give Us or Sharp access to the Equipment to obtain meter readings or audit the meter reading device. If We or Sharp request You to provide meter readings and You fail to do so within 7 days of the date of such request, then (i) the number of copies used by You may be estimated by Us or Sharp and We will invoice You accordingly, and (ii) We will adjust the estimated charge for excess copies upon receipt of actual meter readings. Restrictive endorsements on checks will not be binding on Us. All payments received will be applied to past due amounts and to the current amount due in such order as We determine. Any security deposit or estimated future Governmental Charge (as defined in Section 10 below) that You pay with respect to a Lease is non-interest bearing, may be commingled with Our funds, may be applied by Us at any time to past due amounts, and the unused portion will be returned to You within 90 days after the end of this Lease. If We do not receive a payment in full on or before the due date, You shall pay (i) a fee equal to the greater of 10% of the amount that is late or $29.00, plus (ii) interest on the part of the payment that is late in the amount of 1.5% per month (“Late-Value Interest”) from the due date to the paid date. If any check is dishonored, You shall pay Us a fee of $20.00. Promptly following Our request, from time to time, You shall furnish Us with current financial statements.

### 5. INDEMNIFICATION

You shall not sell, transfer, assign or otherwise encumber (collectively, "Transfer") this Master Agreement or any Schedule, or Transfer or sublease any Equipment, in whole or in part. We may, without notice to You, Transfer Our interests in any Equipment and/or this Master Agreement or any Schedule, in whole or in part, to a third party ("New Owner"); and if so, the New Owner will, to the extent of the Transfer, have all of Our rights and benefits but will not have to perform Our obligations (if any). You agree not to assert against the New Owner any claim or defense You may have against Us or any predecessor in interest.

10. TAXES AND OTHER FEES
