ATTACHMENT A: STATE OF UTAH STANDARD TERMS AND CONDITIONS
STATE COOPERATIVE CONTRACT WITH HACH COMPANY

THE STATE OF UTAH STANDARD TERMS AND CONDITIONS HAVE BEEN MODIFIED.

1. AUTHORITY: Provisions of this contract are pursuant to the authority set forth in 63G-6a, Utah Code, as amended, Utah State Procurement Rules (Utah Administrative Code Section R33), and related statutes which permit the State to purchase certain specified services, and other approved purchases for the State.

2. CHOICE OF LAW, CONTRACT JURISDICTION, AND VENUE: The provisions of this contract shall be governed by the laws of the State of Utah. The parties will submit to the jurisdiction of the courts of the State of Utah for any dispute arising out of this Contract or the breach thereof. Venue shall be in Salt Lake City, in the Third Judicial District Court for Salt Lake County.

3. LAWS AND REGULATIONS: The Contractor and any and all supplies, services, equipment, and construction furnished under this contract will comply fully with all applicable Federal and State laws, rules, codes and regulations, including applicable licensure and certification requirements.

4. RECORDS ADMINISTRATION: The Contractor shall maintain or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by this contract. These records shall be retained by the Contractor for at least six (6) years after the contract terminates, or until all audits initiated within the six (6) years, have been completed, whichever is later. To the extent required by law, the Contractor agrees to allow State and Federal auditors, and State Agency Staff, access to all the records to this contract for audit and inspection, and monitoring of services. Such access will be during normal business hours, or by appointment.

5. CERTIFY REGISTRATION AND USE OF EMPLOYMENT "STATUS VERIFICATION SYSTEM": The Status Verification System, also referred to as "E-verify", only applies to contracts issued through a Request for Proposal process, and to sole sources that are included within a Request for Proposal. It does not apply to other types of procurement processes, including but not limited to Invitation for Bids or to Multiple Stage Bids.

5.1 Status Verification System

1. Contractor certifies as to its own entity, under penalty of perjury, that Contractor has registered and is participating in the Status Verification System to verify the work eligibility status of Contractor's new employees that are employed in the State of Utah in accordance with applicable immigration laws including Section 63G-12-302, Utah Code, as amended.

2. Contractor shall require that the following provision be placed in each subcontract at every tier: "The subcontractor shall certify to the main (prime or general) contractor by affidavit that the subcontractor has verified through the Status Verification System the employment status of each new employee of the respective subcontractor, all in accordance with applicable immigration laws including Section 63G-12-302, Utah Code, as amended, and to comply with all applicable employee status verification laws. Such affidavit must be provided prior to the notice to proceed for the subcontractor to perform the work."

3. The State will not consider a proposal for award, nor will it make any award where there has not been compliance with this Section. Contractor's failure to comply with this Section will be considered a material breach pursuant to Section 35 of this contract.

4. Manually or electronically signing the contract is deemed to be Contractor's certification of compliance with all provisions of this employment status verification certification required by all applicable status verification laws including Section 63G-12-302, Utah Code, as amended.

5.2 Indemnity Clause for Status Verification System

1. Contractor (includes, but is not limited to any Contractor, Design Professional, Designer or Consultant) shall protect, indemnify and hold harmless, the State and its officers, employees, agents, representatives and anyone that the State may be liable for, against any claim, damages or liability arising out of or resulting from violations of the above Status Verification System Section whether violated by employees, agents, or contractors of the following: (1) Contractor; (2) Subcontractor at any tier; and/or (3) any entity or person for whom the Contractor or Subcontractor may be liable.

2. Notwithstanding Section 1. above, Design Professionals or Designers under direct contract with the State shall only be required to indemnify the State for a liability claim that arises out of the design professional's services, unless the liability claim arises from the Design Professional's negligent act, wrongful act, error or omission, or other liability imposed by law except that the design professional shall be required to indemnify the State in regard to subcontractors or subconsultants at any tier that are under the direct or indirect control or responsibility of the Design Professional, and includes all independent contractors, agents, employees or anyone else for whom the Design Professional may be liable at any tier.

6. CONFLICT OF INTEREST: Contractor represents that none of its officers or employees are officers or employees of the State of Utah, unless disclosure has been made in accordance with 67-16-7, Utah Code, as amended.

7. INDEPENDENT CONTRACTOR: Contractor shall be an independent contractor, and as such, shall have no authorization, express or implied, to bind the State to any agreements, settlements, liability, or understanding whatsoever, and agrees not to perform any acts as agent for the State, except as herein expressly set forth. Compensation stated herein shall be the total amount payable to Contractor by the State. Contractor shall be responsible for the payment of all income tax and social security amounts due as a result of payments received from the State. Persons employed by the State and acting under the direction of the State shall not be deemed to be employees or agents of Contractor.

8. INDEMNITY CLAUSE: Contractor agrees to indemnify, save harmless, and release the State of Utah, and all its officers,
agents, volunteers, and employees from and against any and all loss, damages, injury, liability, suits, and proceedings arising out of the performance of this contract which are caused in whole or in part by the acts or negligence of the Contractor's officers, agents, volunteers, employees, its subcontractors or its subconsultants, at any tier, provided, however, that the Contractor shall not indemnify for that portion of any claim, loss or damage arising hereunder due to the negligent or intentional act or failure to act of the State. Such indemnity obligation is valid only to the extent (a) the State gives the Contractor notice in writing of any such claims except that such notice is waived to the extent it does not affect the Contractor's ability to defend the claim, and (b) the State hereby permits the Contractor, through counsel of its choice and at the Contractor's sole cost and expense, to answer the claims and defend any related suit with good faith cooperation between the State and Contractor, and (b) the State gives the Contractor, to the extent allowed by law and within the reasonable capabilities of State, all requested information, assistance and authority, at the Contractor's sole cost and expense, to reasonably enable the Contractor to defend such suit. This obligation shall survive termination of the contract. The parties agree that if there are any Limitations of the Contractor's Liability, including a limitation of liability for anyone for whom the Contractor is responsible, such Limitations of Liability will not apply to injuries to persons, including death, or to damages to property.

Notwithstanding anything to the contrary herein contained, any and all indemnification obligations imposed upon Contractor are reduced to the extent that any otherwise covered claims or damages are caused by any of the following conduct of State or any third party operating under State's contract or control: misuse, misapplication, or use of Goods or Services not in accordance with Contractor's instructions.

9. EMPLOYMENT PRACTICES CLAUSE: Contractor agrees to abide by the provisions of Title VI and VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e) which prohibits discrimination against any employee or applicant for employment or any applicant or recipient of services, on the basis of race, religion, color, or national origin; and further agrees to abide by Executive Order No. 11246, as amended, which prohibits discrimination on the basis of sex; 45 CFR 90 which prohibits discrimination on the basis of age; and Section 504 of the Rehabilitation Act of 1973, or the Americans with Disabilities Act of 1990 which prohibits discrimination on the basis of disabilities. Also, Contractor agrees to abide by Utah's Executive Order, dated December 13, 2006, which prohibits sexual harassment in the work place.

10. SEVERABILITY: A declaration by any court, or any other binding legal source, that any provision of this contract is illegal and void shall not affect the legality and enforceability of any other provision of this contract, unless the provisions are mutually dependent.

11. RENEGOTIATION OR MODIFICATIONS: The terms of this contract will not be waived, altered, modified, supplemented or amended in any manner whatsoever without prior written approval of the State Director of Purchasing. Automatic renewals will not apply to this contract.

12. DEBARMENT: Contractor certifies that neither it nor its principals are presently or have ever been debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract), by any governmental department or agency. If the Contractor cannot certify this statement, attach a written explanation for review by the State. The Contractor must notify the State Director of Purchasing within thirty (30) days if debarred by any governmental entity during the Contract period.

13. TERMINATION: Unless otherwise stated in this contract, this contract may be terminated, with cause by either party, in advance of the specified termination date, upon written notice being given by the other party. The party in violation will be given ten (10) days after notification to correct and cease the violations, after which the contract may be terminated for cause. This contract may be terminated without cause, in advance of the specified expiration date, by either party, upon sixty (60) days prior written notice being given by the other party. On termination of this contract, all accounts and payments will be processed according to the financial arrangements set forth herein for approved services rendered to date of termination.

14. NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW:

1. Upon thirty (30) days written notice delivered to the Contractor, this contract may be terminated in whole or in part at the sole discretion of the State, if the State reasonably determines that a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of the contract.

2. Upon thirty (30) days written notice delivered to the Contractor, this contract may be terminated in whole or in part, or have the services and purchase obligations of the State proportionately reduced, at the sole discretion of the State, if the State reasonably determines that a change in available funds affects the State's ability to pay under the contract. A change of available funds as used in this paragraph, includes, but is not limited to, a change in Federal or State funding, whether as a result of a legislative act or by order of the President or the Governor.

3. If a notice is delivered under paragraph 1 or 2 of this Section 14 "NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW," the State will reimburse the Contractor for products properly delivered or services properly performed up until the effective date of said notice. The State will not be liable for any performance, commitments, penalties, or liquidated damages that accrue after the effective date of said notice.

4. Notwithstanding any other paragraph or provision of this Section 14 "NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW," if the State in said notice to the Contractor indicates that the Contractor is to immediately cease from placing any orders or commitments with suppliers, subcontractor or other third parties, the Contractor shall immediately cease such orders or commitments upon receipt of said notice and the State shall not be liable for any such orders or commitments made after the receipt of said notice.

15. TAXES: Bid/proposal prices will be exclusive of state sales, use and federal excise taxes. The State of Utah's sales and use tax exemption number is 11736850-010-STC, located at http://purchasing.utah.gov/contract/documents/salestaxexemptionformsigned.pdf. The tangible personal property or services being purchased are being paid from STATE funds and used in the exercise of that entity's essential functions. If
the items being purchased are construction materials, they will be converted into real property by employees of this government entity, unless otherwise stated in the contract, or contract orders. The State of Utah’s Federal excise exemption number is 87-780019K.

16. WARRANTY: Contractor warrants to State that each of the Goods conforms to its written warranty set forth in its user manual in effect on the date of purchase, or, if there is no express warranty therein, that each of the Goods will be free from defects in material and workmanship and will conform to the manufacturer’s quoted specifications for twelve (12) months from delivery. Warranties do not extend to consumable items such as, without limitation, reagents, batteries, mercury cells, and light bulbs. Contractor warrants that it will perform all Services in accordance with its standard practices and that the Services will be free from defects in workmanship for a period of ninety (90) days from their date of performance. If Contractor breaches this warranty and the State notifies Contractor of such breach, Contractor will, at the State’s option, either replace or repair the nonconforming Goods, or re-perform any nonconforming Services, or refund the amounts paid by State to Contractor for the nonconforming Goods and/or Services. THIS IS THE EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY. CONTRACTOR EXPRESSLY DISCLAIMS ANY REMEDIES OF “COVER” AND ANY WARRANTIES IMPLIED BY LAW, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

17. INSURANCE: To protect against liability, loss and/or expense in connection with Contractor’s performance described under this contract, Contractor shall obtain and maintain in force during the entire period of this contract without interruption, at its own expense, insurance from an insurance company authorized to do business in the State. Contractor must maintain General Liability Insurance and/or Comprehensive General Liability Insurance, including coverage for premises/operations, explosion, collapse and underground hazards, products/completed operations, contractual (including this contract), and personal injury, including employees with policy limits not less than one million dollars ($1,000,000.00) each occurrence and three million dollars ($3,000,000.00) in the aggregate during the term of this contract. Aggregate limit shall be designated as applying to this contract. If this insurance coverage is written on a “claims made” basis, the certificate of insurance required below shall so indicate and the policy shall contain an extended reporting period provision or similar “tail” provision such that claims reported up to three (3) years beyond the date of Substantial Completion of this contract are covered. The carrying of insurance required by this contract shall not be interpreted as relieving the Contractor of any other responsibility or liability under this contract or any applicable law, statute, rule, regulation, or order.

Contractor must provide proof of insurance to State and must add State as an additional insured and Contractor, not the insurer, shall provide State with notice of cancellation. Contractor acknowledges that within thirty (30) days of contract award, Contractor and/or Contractor’s subcontractors must submit proof of certificate of insurance that meets the above requirements.

It shall be the responsibility of Contractor to require any of their Subcontractor(s) to secure the same insurance coverage as prescribed herein for the Contractor.

18. WORKERS’ COMPENSATION AND EMPLOYERS’ LIABILITY INSURANCE: Contractor shall maintain during the term of this contract, workers’ compensation insurance for all its employees as well as any subcontractor employees related to this contract. Worker’s compensation insurance shall cover full liability under the worker’s compensation laws of the jurisdiction in which the service is performed at the statutory limits required by said jurisdiction.

Contractor acknowledges that within thirty (30) days of contract award, the Contractor and/or Contractor’s subcontractors must submit proof of certificate of insurance that meets the above requirements.

19. PARTICIPANTS: This is a contract to provide the State of Utah government departments, institutions, agencies, political subdivisions (i.e., colleges, school districts, counties, cities, etc.), and, as applicable, nonprofit organizations and agencies of the federal government with the goods and/or services described in the bid/proposal. Participants will need to request State of Utah pricing; however an invoice may be corrected within 30 days if it is later determined that this contract applies to the participant.

20. POLITICAL SUBDIVISION PARTICIPATION: Participation under this contract by political subdivisions (i.e., colleges, school districts, counties, cities, etc.), nonprofit organizations, and agencies of the federal government will be voluntarily determined by the political subdivisions, nonprofit organizations, and agencies of the federal government. The Contractor agrees to supply the political subdivisions, nonprofit organizations, and agencies of the federal government based upon the same terms, conditions and prices.

21. INDIVIDUAL CUSTOMER: Each State agency and public entity that purchases products/services will be treated as if they were Individual Customers. Each agency and public entity will be responsible to follow the terms and conditions of the contract; and they have the same rights and responsibilities for their purchases as the State has in the contract. Contractor agrees that each state agency and public entity will be responsible for their own charges, fees, and liabilities; and the Contractor will apply the charges to each State Agency and public entity individually.

22. QUANTITY ESTIMATES: The State does not guarantee to purchase any amount under the contract to be awarded. Estimated quantities are for proposing purposes only and are not to be construed as a guarantee to purchase any amount.

23. DELIVERY: The prices proposed will be the delivered price to any state agency or political subdivision. Unless otherwise specified by the State, all deliveries will be F.O.B. origin with all transportation and handling charges prepaid and added by the customer according to Hach’s current freight schedule. Contractor will ensure that a copy of its most current freight schedule is attached to this Contract. Responsibility for loss or damage will remain with Contractor until final inspection and acceptance when responsibility will pass to the Buyer except as to latent defects, fraud, and Contractor’s warranty obligations. The minimum shipment amount, if any, will be listed in the Contract. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an order to be shipped without transportation charges that is back ordered will be shipped without transportation charges.
Shipping charges are Prepay and add according to Hach’s freight schedule.

24. REPORTS AND FEES:

1. Administrative Fee: Contractor agrees to provide a quarterly administrative fee to the State in the form of a Check or EFT payment. The fee will be payable to the “State of Utah Division of Purchasing” and will be sent to State of Utah, Division of Purchasing, 3150 State Office Building, Capitol Hill, PO Box 141061, Salt Lake City, UT 84114. The Administrative Fee will be 0.25% (one-quarter of one-percent) and will apply to all purchases (net of any returns, credits, or adjustments) made under this Contract for the period.

2. Quarterly Reports: Contractor agrees to provide a quarterly utilization report, reflecting net sales to the State during the associated fee period. The report will show the quantities and dollar volume of purchases by each agency and political subdivision. The report will be provided in secure electronic format and/or submitted electronically to the Utah reports email address salesreports@utah.gov.

3. Payment and Report Schedule: Payments and reports shall be made in accordance with the following schedule:

<table>
<thead>
<tr>
<th>Period Due</th>
<th>Fee and Reports Due</th>
</tr>
</thead>
<tbody>
<tr>
<td>March 31</td>
<td>April 30</td>
</tr>
<tr>
<td>June 30</td>
<td>July 31</td>
</tr>
<tr>
<td>September 30</td>
<td>October 31</td>
</tr>
<tr>
<td>December 31</td>
<td>January 31</td>
</tr>
</tbody>
</table>

4. Timely Reports and Fees: If the Administrative Fee is not paid by the Due Date or Quarterly Reports are not received by the Due Date, then the Contractor will be in breach of the Contract, and the Contract may be canceled for cause.

25. PROMPT PAYMENT DISCOUNT: Intentionally Deleted.

26. FIRM PRICES: Unless otherwise stated in the special terms and conditions, for the purpose of award, offers made in accordance with this solicitation must be good and firm for a period of ninety (90) days from the date of bid/proposal opening.

27. PRICE GUARANTEE, ADJUSTMENTS: The contract pricing resulting from this bid/proposal will be guaranteed for the period specified. Following the guarantee period, any request for price adjustment must be for an equal guarantee period, and must be made at least 30 days prior to the effective date. Requests for price adjustment must include documentation supporting the request and demonstrating a logical mathematical link between the current price and the proposed price. Any adjustment or amendment to the contract will not be effective unless approved by the State Director of Purchasing. The State will be given the immediate benefit of any decrease in the market, or allowable discount.

28. ORDERING AND INVOICING: Orders will be placed by the using agencies directly with the Contractor. All orders will be shipped promptly in accordance with the delivery guarantee. The Contractor will then promptly submit invoices to the ordering agency. The State contract number and the agency ordering number will appear on all invoices, freight tickets, and correspondence relating to the contract order. The prices paid by the State will be those prices on file with the Division of Purchasing. The State has the right to adjust or return any invoice reflecting incorrect pricing.

29. PAYMENT: Payments will be made within 30 days as Hach’s terms are net 30. All payment to the Contractor may be remitted by mail or electronic funds. The State may use a purchasing card as long as the purchasing card is used at the time of the order.

30. MODIFICATION OR WITHDRAWAL OF BIDS/PROPOSALS: Bids/proposals may be modified or withdrawn prior to the time set for the opening of bids/proposals. After the time set for the opening of bids/proposals, no bids/proposals may be modified or withdrawn.

31. BID/PROPOSAL PREPARATION COSTS: The State is not liable for any costs incurred by the offeror in bid/proposal preparation.

32. INSPECTIONS: Goods furnished under this contract will be subject to inspection and test by the Buyer at times and places determined by the Buyer. If the Buyer finds goods furnished to be incomplete or not in compliance with bid/proposal specifications, the Buyer may reject the goods and require Contractor to either correct them without charge or deliver them at a reduced price which is equitable under the circumstances. If Contractor is unable or refuses to correct such goods within a time deemed reasonable by the Buyer, the Buyer may cancel the order in whole or in part. Nothing in this paragraph will adversely affect the Buyer’s rights including the rights and remedies associated with revocation of acceptance under the Uniform Commercial Code.

33. INDEMNIFICATION – INTELLECTUAL PROPERTY: Contractor warrants that any products provided by Contractor to the State under this contract, if any, including their use by the State in unaltered form, will not, to Contractor’s knowledge, infringe any third party copyrights, patents or trade secrets that exist on the effective date of this contract and that arise or are enforceable under the law of the United States of America during the duration of this contract.
