NSF CAREER Grant Writing Workshop
May 16 from 9am – 1pm
Location: Eccles Board Room (1850 WEB)

The College of Engineering, The College of Science, and the VP for Research office are jointly sponsoring an NSF CAREER Grant Writing Workshop. Any faculty on campus planning to submit an NSF CAREER grant for the July 2013 deadlines are welcome to join us for these workshops.

**Workshop Leaders:**
Dr. Cynthia Furse (ECE and AVP for Research) cfurse@ece.utah.edu
Dr. Eric Eddings (Assoc. Dean for Research, College of Engineering)
Dr. Denise Dearing (Assoc. Dean for Research, College of Science)

**To register:** Registration will be held through RATS (Research Administration Training Series) Click [here](https://www.unite.utah.edu/gm/folder-1.11.73469) to register.

**BEFORE THE WORKSHOP.** Please view one of these introductions to the NSF Career Grants, from an NSF Program Officer. We would normally start with this introductory material, but in the interests of using our morning most efficiently please take time to view this introduction on your own so we are ready to get right to work at the start of the workshop.
‘What is a CAREER grant and how to do it right’
*Dr. Richard Inouye, NSF Biology Directorate*

**Schedule:**

9:00  Overview of the parts of your NSF Career Proposal  
Overview of Resources (online) for NSF proposal writing
9:30  Research Plan & Your Killer App  (bring a 1-paragraph description of what you would like to accomplish in your grant
10:00  Education Plans – UofU Resources for Education & Outreach
10:30  Advice from a Chair  (Education plans, Department Letter of Support)
11:30  Examples of successful research & teaching plan
12:00  Lunch provided (please RSVP) and questions/answers
