If you would like to move an item in your active cart to another cart, follow these instructions:

1. Click on the More Actions drop down, and select “Move to Another Cart”.

2. Select either “Move to New Cart” or another cart in your “Draft Cart”.

3. Once you have clicked on “Move” this message will appear:
4. To find where it has been moved go to “Shop” than to “My Carts and Order” then click on view my daft shopping carts.

5. In View Draft Shopping Carts it will show all the carts you currently have. It is in order by newest to oldest. To view a cart, click on the cart name.

6. That will bring you into the new cart that you have created.
