

The Amazon catalog displays a number of items which are not available to order through the punch out system. Please note that you are not able to order the following items through your Business Amazon account in UShop:

- Digital items, such as Kindle and eBooks
- Bundled items
- Gift Card codes, Print at home gift cards, or physical gift cards for which you determine the dollar amount. (Only physical gift cards with a pre-determined dollar value are available through the punch out.)
- MTurk

***NOTE:*** Amazon has a 30-day fulfillment window for items not immediately in stock. If the order cannot be shipped to you within that time, Amazon will cancel your order and inform you of the cancelation.
