

University of Utah's Department of
Family and Preventive Medicine
and the Center for HOPE present

Utah Health Equity Leadership & Mentoring

HELM has the goal of enhancing the academic excellence and leadership capacity of diverse faculty and health equity researchers at University of Utah through trainings, mentorships, networking, and more. HELM will focus on some of the challenges that trainees from minority and underserved groups face, as well faculty researching health equity.

Applications are due: **Monday, August 20 by 12pm**
Register at <https://tinyurl.com/ybzanazp>
