*Markdown prices are only good during advertised dates.*

*Please check the dates so you do not miss out on markdown pricing.*

Excluded from advertised price markdowns are property priced $2,000 or more, vehicles, items marked bid, items for sale through online auction sites and items without dates. Some property may have other restrictions, may not become available to the public, or may be placed for sale or auction online or through another bid procedure.

The University Surplus and Salvage Department marks down prices based on the “public sale date” and the price of property for sale in the Surplus warehouse. The “public sale date” and the price are, usually, on the price tag of property for sale in the Surplus warehouse. The “public sale date” is the date the public may purchase the property. Before the “public sale date”, Surplus offers the property to Federal, State, and Public Education agencies.

The University Surplus and Salvage Department reserves the right to verify the price and the availability of property for sale.
