BUILDING TRUST IN SUPPLIER RELATIONSHIPS

What is PaymentWorks?

- PaymentWorks is a cloud-based onboarding application for automating the vendor registration process
- Purchasing and Vendor Management are able to send email invitations to vendors to register online
- Vendors can register and maintain their own information through an assigned self-service account
- Currently utilized at a number of higher education institutions including Johns Hopkins, UC Davis, BYU, and now the University of Utah.

Why use PaymentWorks?

- Reasons for Transitioning:
 - PaymentWorks is a more stable, more supportable tool
 - This will eliminate many calls to respond to questions about invoice payments
 - A vendor may set up ACH payments automatically via the PaymentWorks registration form – it is now a one-step process!
 - The tool will provide self-service for vendors, including the ability to check payment status on outstanding invoices (anticipated FY24)

Vendor Types

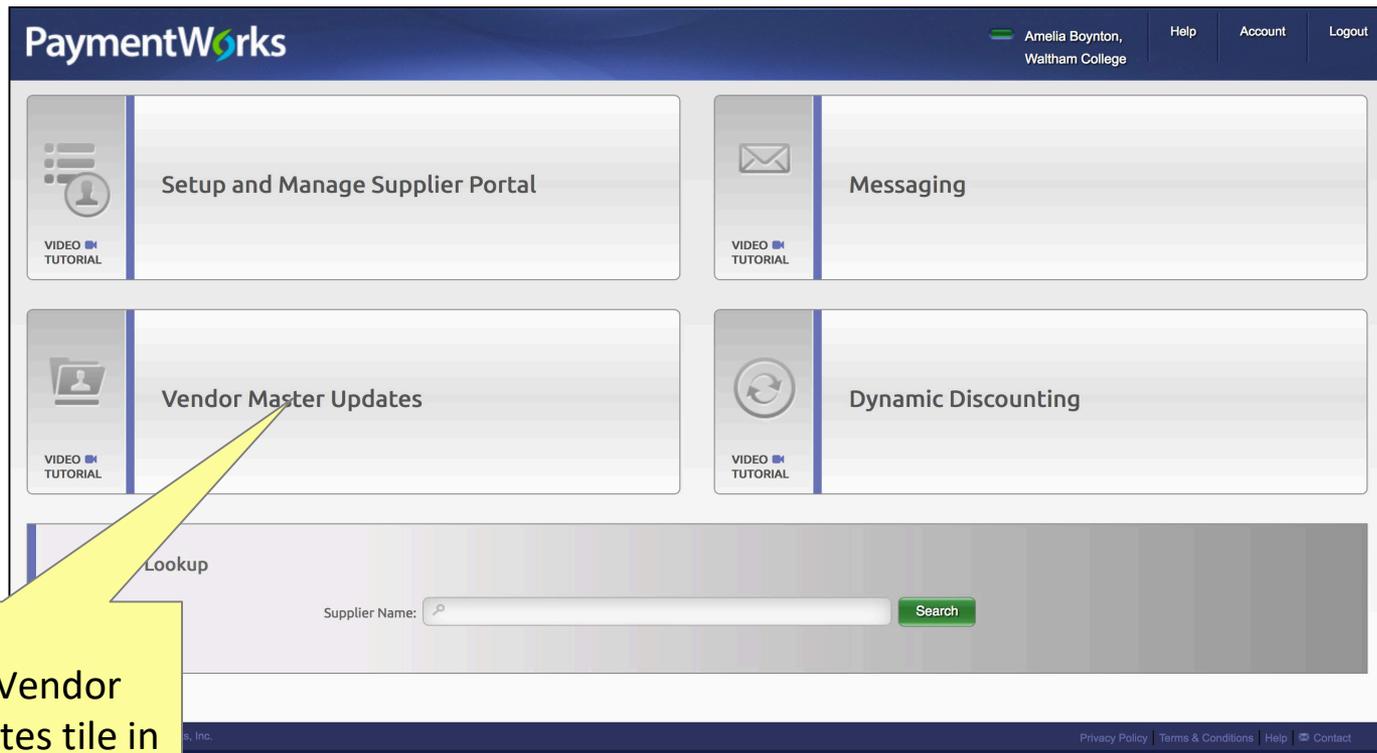

- PO vs ePR Vendors
 - We will be able to use PaymentWorks for ePR and PO vendors
- Domestic vs Foreign Vendors
 - We are currently able to use the tool to register domestic vendors only
- Other Vendor Types
 - Eventually, we will be able to use the tool with foreign vendors and Refund & Reimbursement vendors. This will happen in future phases of the project

How to Access PaymentWorks

- Login via SSO
 - Make sure you are logged in to your University email system using your Unid and password
- Alternately, you can use this URL:

<https://www.paymentworks.com/app>

Home Page

The screenshot shows the PaymentWorks Home Page. At the top left is the PaymentWorks logo. At the top right, there is a user profile for Amelia Boynton, Waltham College, with links for Help, Account, and Logout. The main content area consists of four tiles: 'Setup and Manage Supplier Portal', 'Messaging', 'Vendor Master Updates', and 'Dynamic Discounting'. Each tile has a 'VIDEO TUTORIAL' link. Below these tiles is a 'Lookup' section with a 'Supplier Name' search field and a 'Search' button. At the bottom, there are links for Privacy Policy, Terms & Conditions, Help, and Contact.

 **PaymentWorks**

Dear Bobby the Builder. The vendor names.

JUDY CHAN has invited you to register as a new vendor to University of Utah (Test). This will tell the vendor who sent it, a human's name and Company aka University

The Accounts Payable Department at the University of Utah has received a request to add or update your vendor profile for payment. Please provide your supplier information via this PaymentWorks link. Call the Accounts Payable Department at the University of Utah with questions. This is the KISS- Again to confirm who & if they want to verify who they can contact.

In order for University of Utah (Test) to establish you or your company as a payee or vendor, please [click here](#) to register on PaymentWorks, University of Utah (Test)'s supplier portal.

Before you begin the registration process, be sure to have the following information available:

1. A valid tax ID (either an EIN or SSN)
2. If you wish to receive electronic (ACH) payments, you will need a copy of a voided check or bank statement.

If you have questions regarding billing, invoices, or payments, please contact University of Utah (Test) directly.

If you have questions regarding the PaymentWorks platform or specific aspects of the registration process, please email support@paymentworks.com

Thank you for your support.

Sincerely,

University of Utah (Test)

- Vendor will create an account through the link and follow the steps to register
- There is no charge to the vendor to register or use this tool

Question: What is the main change for me as a purchasing employee with regard to PaymentWorks?

Answer: The main change is simply to use the PaymentWorks invitation process to request a new vendor rather than the Vendor Information Form or the paper-based vendor application.

Question: Will current vendors need invitations sent to them to be reloaded into PaymentWorks?

Answer: No, all vendor numbers will remain in the University's PeopleSoft data file; only new vendor registrations need invitations sent to them.

Question: How will vendor updates be managed?

Answer: A new vendor onboarded through PaymentWorks will have the ability to update its own information through the PaymentWorks account. The vendor reviewer in Vendor Management will update the PeopleSoft vendor database, until such time as this feature is automated.

Question: Who should I contact if I, or my vendor, has a problem?

Answer: If you or your vendor has a problem with the form or using PaymentWorks, you should contact support@paymentworks.com. If the vendor has questions about the payment, the vendor should contact the person who sent the invitation. If there is some other type of issue, the vendor initiator should call the Purchasing Helpline at 801-581-7241 and ask for Vendor Management Team assistance.

Question: What if the vendor has a tax-related question?

Answer: You should refer the vendor to its own tax professional. We should not be responding to these questions as we are not tax experts. Alternately, you may contact the Tax Office.

Vendor Management Support

- Questions for vendor onboarding can be sent to vendor@purchasing.utah.edu.
- Support for Supplier questions is provided by PaymentWorks. Suppliers may contact support@paymentworks.com for assistance.
